## THANKSGIVING FIFTY YEARS AGO

What interested the People in those Days Was Far Different  
from Last Thursday—Slater Bought Property for  
\$50,000 and Carshops to be Auctioned Off—New Re-  
cruits Being Enlisted for New Regiments.

The observance of Thanksgiving 50  
years ago was in marked contrast  
with that of the past week for there  
was no dancing, wrestling bouts, foot-  
ball games or automobile races then.  
The day was religiously observed by  
three union church services in the  
morning besides services in three other  
churches. In the past week there were  
two union services and two other services  
in the city.

Governor Buckingham gave orders  
to have all the soldiers encamped in  
the state, provided with turkeys. No  
mention is made of the burning of  
turkeys at that time.

The recruiting of additional com-  
panies for the regiments which were  
being formed going on steadily with  
new recruiting offices opened al-  
most daily and some of the first vol-  
unteers were doing the work with  
the intention of heading companies.

It was noticed that Lucas & Co. were  
turning out large quantities of army  
clothing in their mills and the contract-  
ing with the government by A. H. Al-  
my for providing a half million dol-  
lars worth of new uniforms. Bank di-  
vidends of three and one-half per  
cent, semi-annually were de-  
clared in those days.

The sale of the property in Broad-  
street and Broadway known familiarly  
as the Slater property took place  
Friday morning. The price there was  
a much larger price than the prop-  
erty was sold for a few years ago by  
over two times. The car shop prop-  
erty in North Main street was sold  
up to go under the hammer. The  
marriage of Mr. and Mrs. Avery Stan-  
ton, who were married last Friday  
celebrated their golden wedding was  
noted.

**J. J. McCord Organizing Company.**  
The following are items taken from  
the Bulletin of 50 years ago cor-  
responding to the past week:

November 27, 1861—James J. Mc-  
Cord who has been in London for a  
number of years, has just returned to  
this country. He has organized a com-  
pany for the 13th regiment, Col. Birge. He  
will command the company himself.

The Norwich bank has declared a  
semi-annual dividend of three and  
one-half per cent.

Captain James L. Day has sold his  
residence on Broad street to John F.  
Slater. The price paid was about  
\$50,000. This is the finest place in the  
county and perhaps in New England.  
Governor Buckingham, it is stated  
has donated a supply of turkeys for  
Thanksgiving to all the soldiers in  
camp in Connecticut.

The 11th and 12th at Hartford, the 13th  
at New Haven and the battalion of  
cavalry and light artillery at Meri-  
den.

The Nameangs of New London,  
numbering 75 men accompanied by  
the Western Union band and a flying  
squad left last evening. They had  
dinner at the Wauregan. The salute  
paid the band was splendid.

**Contract For Arms.**  
November 28, 1861—A number of  
Captain Daniels' company, 11th reg-  
iment came down from Hartford to  
spend Thanksgiving last evening.

Artemus Ward's lecture in Breed  
hall last evening was rich, rare and  
rare.

We understand that A. H. Almy has  
completed a contract with the gov-  
ernment for the manufacture of arms  
amounting in the aggregate to a mil-  
lion dollars. He is desirous of  
having the greater portion of the con-  
tract executed by mechanics and has  
made proposition to that effect. If we  
could have an establishment in this  
city in Hartford and Providence it  
would be a great advantage to the  
town.

The cavalry company from this dis-  
trict have returned home in a body  
to spend Thanksgiving. Adjutant  
Charles Barnard of this city has  
been appointed captain Co. B, of the  
cavalry squadron.

**GOLDEN WEDDING.**  
Niantic Couple, Mr. and Mrs. Nehemiah  
Gates, Given Surprise.

A genuine surprise was given Mr.  
and Mrs. Nehemiah Gates of Niantic  
Wednesday evening when a large party  
of neighbors and friends called to as-  
sist Mr. and Mrs. Gates in celebrating  
the 50th anniversary of their marriage.  
The party was made up of Methodist  
church people and accompanied by  
Rev. Jerome Greer, who made a pleas-  
ing speech and presented a gold piece,  
also a Boston fern and a quantity of  
cut flowers. The company sang a hymn  
which was sung at the golden wed-  
ding of Mrs. Gates' parents. Before  
the party departed handshaking and  
congratulations. Mr. and Mrs. Gates  
have long been active mem-  
bers of the Methodist Episcopal church  
in Niantic. They are enjoying  
health and their years weigh lightly  
on them. They have three children,  
Alvan Gates of Barre, Vt. and two  
daughters living at home.

dent of Trinity college, Hartford, were  
at their home on Huntington avenue

**Saved His Wife's Life.**  
"My wife would have been in her  
grave today," writes O. H. Brown of  
Muscadine, Ala., "if it had not been for  
Dr. King's New Discovery. She was  
down in her bed, not able to get up  
without help. She had a severe bron-  
chial trouble and a dreadful cough. I  
bought a bottle of Dr. King's New  
Discovery, and she soon began to  
mend, and was well in a short time."

Lightning Kills Few.  
In 1906 lightning killed only 169 peo-  
ple in this whole country. One's chances  
of death by lightning are less than  
two in a million. The chances of  
death from liver, kidney or stomach  
trouble is vastly greater, but not if  
Electric Bitters be used, as Robert  
Madren, of West Burlington, Ia., pro-  
ved. Four doctors gave him up after  
months of suffering from violent  
liver trouble and yellow jaundice.  
He was then completely cured by Elec-  
tric Bitters. They're the best stom-  
ach, liver, nerve and kidney remedy  
and blood purifier on earth. Only 50c  
at Lee & Osgood Co's.

**Cured in His Own Home Town.**  
NORWICH, CONN., Louis Frazier,  
4 Market St., tells the way for his  
fellow townsmen to be cured of kidney  
and bladder ailments, as he himself  
was cured. "I have been subject to  
backaches, due to kidney trouble, for a  
long time. Hearing of Foley Kidney  
Pills, I began taking them, and they  
gave me relief at once. I can recom-  
mend them to anyone both as a cure,  
and a sure preventive of kidney  
trouble." Lee & Osgood Co.

NO INDIGESTION, GAS OR  
A SICK, UPSET STOMACH.

Diapiesin Stops Fermentation and  
Ends Worst Case of Dyspepsia in  
Five Minutes.

Why not get some now—this im-  
mense relief is yours for a few cents.  
Stomach trouble and indigestion? A  
dieted stomach gets the blues and  
grimaces. Give it a good bait, then  
take Pape's Diapiesin to start the di-  
gestive juices working. There will be  
no dyspepsia or belching of gas or  
eructations of indigestible food, no  
feeling like a lump of lead in the  
stomach or heartburn, sick headache  
and dizziness, and your food will not  
ferment and poison your breath with  
nauseous odors.

Pape's Diapiesin costs only 50 cents  
for a large case at any drug store  
here, and will relieve the most obsti-  
nate case of indigestion and upset  
stomach in five minutes.

There is nothing else better to take  
Gas from Stomach and cleanse the  
stomach and intestines, and besides,  
one single dose will digest and pre-  
pare for assimilation into the blood all your  
food the same as a sound, healthy  
stomach would do it.

When Diapiesin works, your stom-  
ach rests—gets itself under, cleans  
up—and then you feel like eating when  
you come to the table, and what you  
eat will do you good.

Absolute relief from all Stomach  
Misery is waiting for you as soon as  
you decide to take a little Diapiesin.  
Tell your druggist that you want  
Pape's Diapiesin, because you want to  
become thoroughly cured this time.

Remember, if your stomach feels out  
of order and uncomfortable now, you  
can surely get relief in five minutes.
